PRN helps people **RE-IMAGINE** their lives, transcend labels and build a life and identity that goes beyond surviving to **thriving**.

Promise Resource Network (PRN) is a grassroots non-profit agency, established in 2006 to ignite social change, inspire hope and serve as a catalyst for personal greatness. PRN uses the voice, experience, and resilience of people who have overcome trauma, substance use, and other mental health barriers to elevate recovery and wellness.

This foundation allows PRN to provide alternative pathways to healing that help others discover their unique path to wellness and thrive. SAMHSA's definition of Recovery and their Eight Dimensions of Wellness serve as the framework for all supports provided.

Recovery is...

"A process of change through which individuals improve their health and wellness, live a self-directed life, and strive to reach their full potential."

— SAMHSA

Classes are made possible, in part, by generous grants from Arts and Science Council (ASC) & Women's Impact Fund.

Culture For All.

The Arts and Science Council (ASC) has awarded PRN its second Cultural Vision Grant to fund creative outlets that support healing, heritage and education to build a stronger and more resilient recovery community. ASC works to ensure access to an excellent, relevant, and sustainable cultural community for the Charlotte-Mecklenburg Region. www.artsandscience.org

Since 2003, **Women's Impact Fund** has amplified the significant role women play in philanthropy. It's mission is to strengthen communities by maximizing women's leadership in philanthropy through collective giving education and engagement. With approximately 500 members, the organization has emerged as one of the largest women's collective giving groups in the country and continues to create powerful change within Mecklenburg County. To date, Women's Impact Fund has made 85 grants totaling more than \$6.2 million. For more information, visit: www.womensimpactfund.org
