Rational Recovery: Book Study

Rational Recovery (RR) is a self-help program for substance use recovery that is an alternative to 12-step programs like Alcoholics Anonymous (AA). It is based on cognitive-behavioral principles and rejects the idea of addiction as a disease, instead emphasizing personal responsibility and self-reliance.

PRN HELPS PEOPLE **RE-IMAGINE** THEIR LIVES, TRANSCEND LABELS AND BUILD A LIFE AND IDENTITY THAT GOES BEYOND SURVIVING TO **THRIVING.**

Promise Resource Network (PRN) is a non-profit agency, established in 2006 to ignite social change, inspire hope and serve as a catalyst for personal greatness. PRN uses the voice, experience, and resilience of people who have overcome trauma, substance use, and other mental health barriers to elevate recovery and wellness.

This foundation allows PRN to provide alternative pathways to healing that help others discover their unique path to wellness and thrive. SAMHSA's definition of Recovery and their Eight Dimensions of Wellness serve as the framework for all supports provided.

Since 2003, Women's Impact Fund has amplified the significant role women play in philanthropy. It's mission is to strengthen communities by maximizing women's leadership in philanthropy through collective giving education and engagement. With approximately 500 members, the organization has emerged as one of the largest women's collective giving groups in the country and continues to create powerful change within Mecklenburg County. To date, Women's Impact Fund has made 85 grants totaling more than \$6.2 million. For more information, visit: www.womensimpactfund.org

Recovery is...

“A process of change through which individuals improve their health and wellness, live a self-directed life, and strive to reach their full potential.”

— SAMHSA
